FLORAL DESIGN PORTFOLIO

HELLO FRIEND

I'M MIRNA

Since 2014, I've been creating one-of-a-kind weddings and events that represent our client's story and brand. Our love for flowers quickly grew, and in 2016 we added floral design services to our repertoire. Specializing in garden-inspired designs that reflect the beauty of the season, and all the textures and colors Mother Nature has created. Serving Central Virginia and beyond.
